

2019 METISSE  
JUMPING GOAT VINEYARD  
SAINT HELENA

Our well-known Jumping Goat Vineyard located in the AVA of St. Helena is one of the standout wines in our portfolio. This is our seventeenth vintage from this exceptional vineyard and is easily one of the best wines produced from this site to date. The nose is a complex blend of dark plum, cassis, dried fig and tobacco revealing more depth with time in the glass. The wine shows incredible minerality and is extremely lush with a silky texture. There are layers of perfumy fruit and a good acid structure which is necessary for long aging which this wine will clearly do. Showing classic refined tannins and a finish that is long and constant, this vintage is one not to be missed. Recommended to decant.
